

The GOOD NEWS

CHRIST THE KING SCHOOL  WHITEHALL-COPLAY

Dear Christ the King Families,

Welcome to our first all green edition of the Good News. As you read this letter, we are just celebrating the mysteries of our salvation through the Easter Triduum and enjoying some restful times from the day to day grind with our Easter vacation. The weather is unseasonably warm and I'm sure we will be wearing jackets again soon. The summer uniform begins on May 3rd, due to the longer school year, so I'm sure the snow and frigid temperatures will be behind us at that point.

Just a few reminders regarding some of our daily issues - please be sure to follow the directions for drop-off and pick-up, including the times. We have some children who are consistently arriving late. This is a disruption and distraction for the children who are late as well as for the children who are already in homeroom. Now that the weather is nicer, please strive to have your child arrive on time and ready to begin the day. Also, if there is a change in your child's means of transportation at the end of the day, please be sure to send a note in with your child in the morning. Children are easily confused and get upset when they have perceived a change in their way home that is not, in fact, what you may have said. We want to be sure that everyone gets home safely.

It would be nice to be able to honor some of our graduates in the Good News. So many of our students go on to do great things in high school and beyond and we would like to share those accomplishments with our current students and families. The only way we can make this work is if alumni and their families let us know what is going on in their lives. It is encouraging to the staff to see where "our kids" have gone and it is encouraging to our students to see that others from our small Catholic school can make big contributions to society. Please let us know when you hear good things about our graduates so that we can share the news.

Once again, I thank you for the sacrifices you continue to make to give your children a Catholic education. You are in my prayers each day as you help your children grow in their faith and I thank you for giving us the opportunity to assist you in that endeavor. God Bless you,

Irene M. Quigley M. Ed.
Principal
